Question 10: How many years have you owned property or lived in the Williamson Valley?

Question 11: Where do you own property or live in the Williamson Valley? (Northern – North of Whispering Canyon Dr, Central – Between Whispering Canyon and Pioneer Parkway, Southern – South of Pioneer Parkway). What is the name of the sub-division, if applicable?

Question 12: WVCO is interested in the concerns of our members and property owners. As stated in our Bylaws, our primary mission is to advocate for preserving our rural, residential life style, and community spirit. In recent years the primary areas of interest and concern have been Water, Transportation, and Community Identity. Currently the water issues, because of severe drought and lack of a comprehensive water management plan for the region, consume much of our energies. The Central portion is being severely damaged by Prescott Valley's disregard for the impact they are having on the Little Chino Aquifer, and the currently stable Northern portion is facing possible loss of water in the future if the Big Chino Aquifer starts to be depleted by pumping to Prescott and Prescott Valley.

If you have a home or agricultural property, what is/are your source(s) of water?

Private well	☐
Community well	☐
Cooperative well	☐
Hauled water	☐
Water District	☐
Member-owned Non-Profit Water Utility	☐
Private Water Company	☐

Question 13 Are you currently being impacted by the water issues discussed above?

YES ☐ NO ☐ (skip to Question 15)

Question 14: Please describe the impact. What do you believe WVCO can do to assist you and others with this issue.

Question 15: Please comment on any water concerns you have and provide any recommendations on how WVCO, with your help, can pursue the issue.

Question 16: Please describe any concerns you have involving transportation issues in Williamson Valley that you do not feel are being addressed.

Question 17: Significant steps have been achieved in gaining Yavapai County recognition of the needs of Williamson Valley. The Weather Bureau (NOAA) now provides forecasting and reporting for Williamson, AZ. Many additional ideas like more signage and expanded news coverage are being considered. Do you have any projects that would help improve recognition of Williamson Valley which you would like to champion or support?

Question 18: Organization of people is one of the challenges where WVCO volunteers can help. One example is our Adopt-A-Road program which is always in need of greater participation. What issues concern you? Are you willing to take the lead in developing a plan to address the need?

Question 19: A goal proposed by a recently departed member of the Board was to identify representatives from the POAs and HOAs in the Valley who would help WVCO expand recognition within those organizations. Would you be willing to lead or assist with such a project?

YES ☐ NO ☐

Question 20: WVCO has a Website at <https://WilliamsonValley.org> . We are in need of individuals who will monitor subject areas affecting the community and make sure the Webmaster has current material which will be of value to members. We need individuals who will monitor the County and other local jurisdiction Boards and Commissions for actions that impact the Valley. Would you be interested in helping with this requirement?

YES ☐ NO ☐
